

**REMARKS**

Reconsideration and allowance of the subject application in view of the foregoing amendments and the following remarks is respectfully requested. Entry of this Amendment under Rule 116 is merited as it raises no new issues and requires no further search.

The Examiner's indication of allowable subject matter of claims 28-30 is noted with appreciation. Allowable claim 28 has been rewritten in independent form including all limitations of base claim 25. The non-allowed claims have been all cancelled without prejudice or disclaimer. No new matter has been introduced through the foregoing amendments.

All rejections are moot as the rejected claims have been cancelled.

Accordingly, all claims in the present application, namely, claims 28-30, are now in condition for allowance. Early and favorable indication of allowance is courteously solicited.

The Examiner is invited to telephone the undersigned, Applicant's attorney of record, to facilitate advancement of the present application.
